I love memes and carpentry! So we do a roller wood assembly with burned Å «Cursed cat» Meme.-Piece (round, pine) -Pirography Pen-pencil-scissors-paper / printer / Graphite paper (optional) 1. Draw an image of Meme2. ?????? 3.Profits it brome ... For those of us who can not draw: 1. Google your favorite meme2. Download the image3. Paste the image in a file (Word / Visio / Image Editor, etc.), Capiala and create images of different sizes4. Print File5. Cut image of appropriate size with scissors6. Take a pencil and sketch the wooden image can use graphite paper to transfer the wooden image. Damn category is ready to burn! Take the pyramography pen2. Burn the image (track: first burn the contour and then the body of the cat) This image is very easy to burn even for beginners. But be careful with cat's eyes because he is very angry! Ps. See Great Instructable for Leather Burning Technique made another CAT CAT (small size) as Talisman in the car.All steps are equal except: 1. Drill a hole near the edge2. Take the cord (paper rope) 3. Reeve the cord and ring it4. Still it wherever you want! Think that memes are inspired by the mysterious functioning of the human mind. Since using logic to make sense of feelings, lovers of memes have fun creating memes that really capture their thought processes in certain situations. Think that memes mean something about the thoughts that are happening in someone's head. Many people share similar thoughts about certain things, which makes memes think so relationshipable. These memes can be extractable when the thoughts expressed are influenced by strong emotions. Thought memes are used to express various mental processes and reactions. This could include thought philosophy, problem solving, exchange of views, confusion and even anxiety. the majority think that the memes tend to exaggerate the situation and the process of thought or reaction related to a humorous effect. example #1:Image: an image of the character disney littlehontas with his hair blown in the wind along with an image of a girl!Text: "How I think I look when my hair is blowing in the wind vs. what it really looks like".Meaning: Movies always make people look so perfect, but reality makes it so much more uncomfortable. Example #2:Image: Image of a baby raising an eyebrow with a look of skepticism and confusion on his face.Text: "Do you mean that the baby in the mirror is me?"Meaning: Babies have to learn everything from scratch, but smart people may not be so willing to believe everything their parents tell them. Example #3:Image: Drawing of a velociraptor dinosaur with the finger raised up to the chin as if thinking deeply.Text: "If Cinderella's shoe fits perfectly, why did it fall off in the first place?"Meaning: There seem to be too many questions in life that logic simply cannot explain. Ready to dive into some good thinking memes? Check out the list below for a laugh and possibly even a little bit of a head scratcher! "I'm not sure if" Futurama Meme, Sure, things may seem funny on the surface, but if you really think about it, aren't we all lost and lonely looking to use others to get away from ourselves? "What I think I look like" Meme. Thinking about your perfectly impeccable expectations is always much better than experiencing the ugliness and discomfort of reality. "What I think I look like" Meme. You may think that the latest trend in fashion will make you look amazing, but you might want to think again, my friend. "Baby Skeptic" meme Babies just don't have the intellectual capacity to understand what older children or adults are doing, so everything seems ridiculous to them. Meme of "Roll Safe". If you can think about the future to avoid it completely, then you have solved your problem even before it became a problem! "Confused Math Lady" Meme. In some way On the Internet, there are complex passwords that probably contain the answers to some of the greatest equation mysteries in the universe. "Philosoraptor" meme. Maybe everything in life is really just a one Paradox blowing. Meme of "Brden Clarity Clarence".Smooth Clarence Clarence knows what it's like to make a scientific breakthrough at the most uncomfortable time possible. "Keanu conspiracy" Meme. "You take the blue pill, the story ends, you wake up in your bed and believe what you want to believe." (Quoted from The Matrix.) Matrix Morpheus Meme. This rabbit hole goes a little too deep, Morpheus. "Chemistry Cat" meme. You might have to read that legend a few times if you're not a chemical. "Jaden Smith" meme Jaden Smith became famous for sharing his strange realizations on social media, many of which are too real to recognize for ourselves. Even "Drew Scanlon Reaction." You could keep whispering. "Confused Black Girl" Meme. It's never fun when your friend hides juicy information from you and forces you to think about what it could be. The Spider Man.
